Your Story Smooth Pastel Colors Zoom In Zoom Out

SITUATION: a situation or environment. [Class].
 The Situation Class is where any fixed state of affairs is explored, such as an institution, system, or situation that remains stable and unchanging. The point may be to show that the system is good, bad, or neutral, but the focus must be on the system, not on how the system is changing.
SYNONYMS: a situation a set of circumstances state of affairs predicament environment milieu
